--------------------------	-----------------------------

<input type="checkbox"/>	Elective 1: _____(4wks)
<input type="checkbox"/>	Elective 2: _____(4wks)
<input type="checkbox"/>	Elective 3: _____(4wks)

Notes:
--------

Healy, Humes, Long, McCarter, Schmale, Taylor, Westerman

### PGY-3

<input type="checkbox"/>	Adult Inpt (FM3)(4 wks)
<input type="checkbox"/>	Adult Inpt (FM3)(4 wks)

<input type="checkbox"/>	Ambulatory Peds (4 wks)
--------------------------	-------------------------

<input type="checkbox"/>	ER (4 wks)
--------------------------	------------

<input type="checkbox"/>	Elective /GYN? (4 wks)
--------------------------	------------------------

<input type="checkbox"/>	<b>MEDICAL SUBSPECIALTY ( 4 wks)</b> <i>Cardiology</i> <i>Pulmonology</i> <i>Nephrology</i> <i>Infectious Dz</i>
--------------------------	--

<input type="checkbox"/>	<b>SURGICAL SUBSPECIALTY (4 wks)</b> <i>ENT</i> <i>Urology</i> <i>Ophthalmology</i> <i>Allergy</i>
--------------------------	--

<input type="checkbox"/>	Dermatology (2 wks)
<input type="checkbox"/>	Sports Medicine (2wks)
<input type="checkbox"/>	Orthopedics (2 wks)
<input type="checkbox"/>	Rheumatology (2 wks)
<input type="checkbox"/>	Pharmacology (2 wks)
<input type="checkbox"/>	_____ (2 wks) Elective

<input type="checkbox"/>	Elective 4: _____(4wks)
<input type="checkbox"/>	Elective 5: _____(4 wks)
<input type="checkbox"/>	Elective 6: _____(4 wks)

Notes:
--------

Radiology will be longitudinal-ized into Didactics.

POCUS has longitudinal components including workshops with additional exposure through Peds ER, Ortho, etc; Med Mastery CXR and POCUS Essentials course completion.

Community Medicine has longitudinal components to ensure exposure to HepC, HIV, Addition and Refugee Med, etc.

Dermatology will be partially longitudinal-ized into didactics.

GYN numbers are pulled out of the total encounters and GYN Clinic is a part of OB

Telehealth and In-person visits are integrated

**Electives: 6.5 total**
